CVAC Copeland Building

CVAC has met with an architectural firm in Reno to develop new concept drawings for the Copeland Building. As soon as we can obtain the necessary funding through grants and donations the project will commence. Donors and supporters are needed to make this leap possible for a community performance and arts center.

Call 775-782-8207 to find out how YOU can help make a local performing arts center a reality!!

Successful CVAC Concert Season!
