Haunted Windchimes - April 13

The Haunted Windchimes sound is very traditional folk and blues and the songs have a vintage quality, as if they might have been written yesterday or 75 years ago. The groups' subtle and collective genius features original material written by all four members. See the Haunted Windchimes on Friday, April 13, 2018 at the CVIC Hall.

It's the vocal harmonies that really set them apart, a three-headed juggernaut of Desirae Garcia (ukulele), Chela Lujan (banjo) and Inaiah Lujan (guitar). When their voices blend, it is nothing short of beautiful. The sound is sometimes moody, but it is always deeply affecting. You may have heard them on the Prairie Home Companion. That sound is embroidered by the instrumental mastery of Mike Clark (harmonica, fiddle, mandolin, guitar and concertina). The Haunted Windchimes will also be presenting at the CC Meneley Elementary School as part of the CVAC's youth outreach.

"Popular among the grey hairs, green hairs, purple hairs and all over." – **Garrison Keillor, A Prairie Home Companion**

Thank you MCT!

Alice in Wonderland audition and performance at Scarselli Elementary School.

The Carson Valley Arts Council is proud to bring the Missoula Children's Theatre (MCT), the nation's largest touring children's theatre to Carson Valley at Minden and Scarselli Elementary Schools. Thanks to dedicated school staff and volunteers at both schools, more than 100 children were able to participate in four performances. MCT just completed a week at Scarselli Elementary with "Alice in Wonderland" and a week at Minden Elementary in February. Creativity, social skills, goal achievement, communication skills and self-esteem are all characteristics that are attained through the participation in this unique, educational project. MCT's mission is the development of life skills in children through participation in the performing arts. Special thanks goes to Doug Odell for his leadership on the project and to the staff, teachers, volunteers, students and parents at the two

schools. Thanks also to the Carson Valley Inn and the Pinter Family for housing the MCT **directors** during their weeks here.
