## Event Guidelines

1. Send or drop off a completed and signed application form with check payable to Carson Valley Arts Council.
2. Send at least two images of artwork with the completed application form, **unless images already on file with Carson Valley Arts Council from prior events.**
3. All Artists will be considered on first come, first serve basis. Space is limited.
4. Artists will be assigned a set up time between 9:00 am - 11:45 am so we can stagger vehicles in loading zones. Spaces are “cart and carry” over the grass, so loading zones get you as close to spots as possible. Vehicles must be unloaded and then removed/parked in designated areas within 30 minutes. No vehicles may be parked in loading zones (even if it looks like a parking lot). There is NO parking of exhibitors in the Overland Restaurant parking area. All spaces should be marked by the time exhibitors arrive. Please let us know if you have special needs not covered in this application. Artists must park in designated areas after load-in and load-out.
5. Artists must provide their own table and chairs. A new requirement by East Fork Fire is having a fire extinguisher on site at your tent. This is an outdoor event: uneven terrain, inclement weather and wind gusts can occur. Prepare your booth accordingly. No dogs in park. There are no stakes/pins/nails/etc. allowed in the park. ALL VENDORS MUST BRING rope and weights, sand bags, water jugs, etc. to weight down your booth items, canopy, signs, etc. There are no tarps/rugs/large flat surfaces allowed on the grass. There are absolutely no driving vehicles/trailers on the grass.
6. **SALES TAX:** We are required to collect your NV Tax ID# from every vendor selling anything. This form is turned in prior to the event and you will be held responsible to submit the correct amount to us before leaving the grounds that day. We will provide an envelope the day of the event with the NV Tax form. You must provide your tax ID #5 of this application. If you send in your taxes quarterly, please kindly fill out the form and mark "Quarterly" payments. Please bring a check to make this payment the day of the event.
7. All booths must be set up by 12:30 pm on Sunday, May 22, staffed and remain in place until 6 PM. The final concert is at 5-6 PM, so booths should be taken down **after** the concert – **NOT** during the concert.
8. We have many Volunteers helping-without whom there would be no event-so please be patient and respectful of all staff & volunteers. No political signs or materials.
