## Kaki King Kicks Off 2022-23 CVAC Concert Series Oct. 7

Guitarist Kaki King is known for a lot of things — her virtuosic technique, her experimental songwriting, her idiosyncratic sound and her futuristic multimedia shows, just to name a few.

She's known for both her technical ability and the immersive, boundary-breaking quality of her music. Kaki King will perform at the CVIC Hall, 1602 Esmeralda in Minden, at 7 p.m. Friday, October 7, 2022.

She gets a lot of attention for her technique, which involves slapping the guitar, drumming her nails against it, and more. But the hard part is the songwriting. "When you're an instrumentalist, finding your voice is really hard," King said, "I want it to be identifiable as me."

Composer and musician Kaki King is considered one of the world's greatest living guitarists. Hailed by Rolling Stone as "a genre unto herself," Kaki has released 9 albums and toured extensively, presenting in such prestigious arts centers as the Kennedy Center, MoMA, LACMA, The Met and Smithsonian Design Museum. She has created music for numerous film and TV soundtracks, including "August Rush" and "Into the Wild", for which received a Golden Globe nomination for Best Original Score. She has performed with symphonies and chamber ensembles, and recorded an album in collaboration with the Porta Girevole Chamber Orchestra commissioned by the Berklee College of Music.

On October 7, 2022, King will perform songs from her most recent album, "Modern Yesterdays," as well as material from throughout her career.

Tickets are \$20 members, \$23 general audience, and kids under 18 are free with a paid adult ticket. Tickets are available at the Copeland Cultural Arts Center, 1572 US Hwy 395, Minden, online at [www.cvartscouncil.com](http://www.cvartscouncil.com), and by phone at 775-782-8207. Tickets will also be available at the door for \$25 if not sold out. For more information, visit [www.cvartscouncil.com](http://www.cvartscouncil.com).

"We hope this contest will be a conduit for students to explore aviation," Executive Director Sharon Schlegel said. Reaching kids at an early age will allow them to explore STEAM-based education and aviation and aerospace careers.

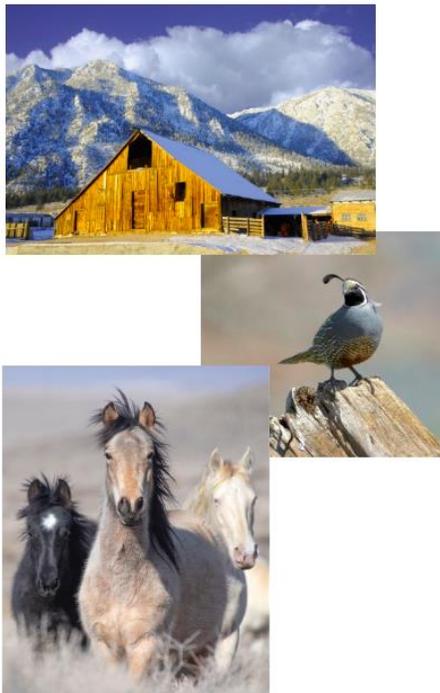

Students attending home, private, charter or public schools in Douglas County between the ages of 6 and 17 are eligible to enter. Any of the following media are permitted: watercolor, acrylic, oil paint, indelible marker pens, felt-tip pens, soft ball-point pens, indelible ink, Crayola or any similar indelible medium, pencil, charcoal or other non-permanent medium.
